Welcome to Super DIRT Week!

We're honored to have you be a part of the 53rd running of *Racing's Biggest Party*.

It's our goal every year to make Super DIRT Week bigger than the last, and we're set for another exciting week of endless fan entertainment and racing under the lights.

With the help of our World Racing Group team, John Wight and his team, and the Oswego Speedway staff, the *Steel Palace* will once again be converted into the *Clay Palace* for the ninth straight year.

Please help us thank Governor Kathy Hochul, the State of New York, and Oswego Mayor Robert Corradino for their continued support of Super DIRT Week and of our efforts to bring fans from across the country to New York for one of the best motorsports events of the year.

The legacy of Super DIRT Week is unmatched. Champions, veterans, rookies, and icons will join us again to bring the Northeast an event like no other.

Enclosed here, you'll find the ultimate Fan and Competitor's Guide to what has become the ultimate week of DIRTcar racing. It contains everything you'll need to know about what is going on during Super DIRT Week 53 (Oct. 6-11).

Continuing to make sure we grow the party every year, there will be a Super DIRT Week Kickoff Party on Sunday, Oct. 5, at Lighthouse Lanes, which will include bowling, food, drink specials, and music deep into the night. Then, on Monday, Oct. 6, we'll host our Charity Golf Tournament at Radisson Greens Golf Club in the afternoon and the free Quarter Midget and Microd Mania event at Oswego Speedway in the evening.

Throughout the week, there will also be an abundance of fan activities, music, and fireworks, along with the best drivers in the Northeast putting on thrilling shows in each division.

On-track action will start at 1 p.m. (ET) on Wednesday and Thursday, and then at 2 p.m. on Friday and Saturday.

The biggest races of the week will crown their champions under the lights again with the DIRTcar 358 Modified Salute to the Troops 150 and DIRTcar Pro Stock I Love NY 50 on Friday (Oct. 10), and the Super DIRTcar Series Billy Whittaker Cars 200 and DIRTcar Sportsman Great Lakes 75 on Saturday (Oct. 11).

From all of us at DIRTcar, we are grateful for your continued support and are proud to have you as a part of our racing family. We look forward to another great week of racing. Thank you for helping us make Super DIRT Week *Racing's Biggest Party*!

Sincerely,

WELCOME TO THE 53rd SUPER DIRT WEEK

We thank you for joining us here at the premier event for DIRTcar Racing throughout the Northeast. Thank you, congratulations, and good luck during your participation in the 53rd Super DIRT Week, headlined by the Super DIRTcar Series Billy Whittaker Cars 200. We are also proud to highlight our DIRTcar 358 Modified division in the Salute to the Troops 150, the DIRTcar Sportsman in the Great Lakes 75, and the DIRTcar Pro Stock in the I LOVE NY 50 on the weekend's card. This event is the culmination of all of your hard work throughout the season, so please have a good time and enjoy it to the fullest. DIRTcar Racing strives to provide you with excellent racing and the most professional experience possible, whether it's a weekly DIRTcar sanctioned racing event or one of the many divisions in which you compete. We are fortunate to have the support of New York State in putting on this event. Please respect the rules and regulations established by the facility management and respect their property. Good luck, and have a safe and enjoyable 53rd Super DIRT Week.

Purse/Payoff:

All DIRTcar Racing payouts will be distributed in the payout office next to the tech tent after the conclusion of technical inspection for each event. In the event a driver does not pick up his/her purse money after a completed event, checks will be mailed within one (1) business week following the conclusion of Super DIRT Week.

Results and Post Event Info:

Event results, once official, will be posted at the Series trailer, at superdirtweek.com, on myracepass.com, via the Super DIRT Week app, and via the MyRacePass app. Feel free to review official results. Hard copies of pertinent race results, timing and scoring, and other items will be made available at the conclusion of each event in the Media Center tent located in the Island on the pit side next to the Tech Tent..

Important Event Information:

A mandatory drivers meeting is scheduled for each division the morning of its respective Championship event. It is the responsibility of the participant to be present for the meeting. Absence from the drivers meeting will result in penalty. All events are conducted by DIRTcar Officials. The decisions of DIRTcar Officials are FINAL.

Race Fuel:

VP Racing Fuels will provide the Official fueling center for Super DIRT Week. VP will be available at the VP trailer(s) in the pits outside the track along Main St..

Tires:

The Hoosier Tire compound is located in the same area as VP. Hoosier has the required tires on hand for your events. Please reference the Competitor Notes for each division for the specific tire requirements for each division.

One-Way Radio Communication:

Mandatory for all divisions, during all events, including practice. Please be certain you and your car are equipped with a one-way radio each each time you go on the racetrack. The one-way frequency is 454.000.

Schedule:

We will make every effort to stay on schedule as it appears within this guide. However, as we all know, necessary deviations from the schedule are a strong possibility. Changes to the schedule will be reported in the infield building, at Series and Tech trailers, at the Media Center, all ticket centers at gates, via the Super DIRT Week app and also via our Text Hotline. Please be aware, a possible rain-date for any event will be Sunday, Oct. 13.

Billy Whittaker Cars 200 Top-30 Autograph Session;

A mandatory autograph signing is scheduled for Saturday at Noon (12:00 PM) in the frontstretch midway. All of the top-30 starting drivers in the Billy Whittaker Cars 200 are required to attend. Failure to do so will result in that driver starting at the rear of the field. Fans will be encouraged to have the special collector's edition 53rd edition pull-out poster from the 53rd Super DIRT Week program. We also encourage drivers to bring their own hero cards.

Oswego City Parade;

An annual highlight is the Parade through the City of Oswego on Wednesday, Oct. 8th at Noon. The parade is free for everyone to enjoy! The parade will start at Oswego Speedway, travel through Downtown Oswego and then return to the Speedway. Please get with a Super DIRTcar Series Official to participate! First 53 cars are guaranteed a spot! ALL four (4) divisions 2024 winners are required and will lead the field.

Super DIRTcar Series Qualifying for the Billy Whittaker Cars 200:

40-Car Starting Field, with a potential of 41 for past Super DIRT Week Champion

- Time Trials – Any driver may only utilize one (1) car for Time Trials. Time Trials will be split into three groups, top 2 in each group will be locked into a separate (six) 6 car time trial session. The top six (6) starting positions will be determined by this (six) 6 car time trial session. The fastest six (6) cars will make up the first three (3) rows (first six starting positions) in the Billy Whittaker Cars 200. (All ties in Time Trials will be broken by the second fastest lap)
- The Time Trial order in each group will be determined by the draw
- In the event a driver misses their group all together they will forfeit any time and start tail during Thursday Night Qualifiers heat event
- Time Trials will also determine the lineup for the Thursday Night Qualifiers, based on the driver's best single lap time for each car during Time Trials
- Positions 7-30 will be filled from the Thursday Night Qualifier Events
- In the event of bad weather for the Thursday Night Qualifiers, the feature line up will revert back and be based on a non-qualified driver's best Time Trial result to fill positions 7-36. If there are a certain number of guaranteed starters not in top 36 of times, they could fill in from position 36 on up
- The Last Chance Showdown(s) are scheduled to be 15 laps in length with a maximum starting field of 30 cars. The lineup will be based on the results of the cars that did not transfer to the Billy Whittaker Cars 200 through the Thursday Night Qualifiers. Last Chance Showdown(s) will transfer a certain amount of cars into the Billy Whittaker Cars 200. Platinum provisionals will then be added. The field will not exceed 41 paid starters
- There will be four (4) Provisional Starting Positions available to the [first](#) four platinum drivers in the current 2025 Super DIRTcar Series points standings who have failed to qualify for the event, provided the competitor that is eligible for the provisional practices makes a Time Trial attempt and or participates in the Thursday Night Qualifiers
- There will be a Provisional Position for a past Billy Whittaker Cars 200 Champion. To be eligible the driver must have attempted Time Trials, Heats and the Last Chance Showdown. If any two (2) drivers remain eligible, the position will be awarded to the driver that won the most recent 200. If no past event and/or Series Champion remains, the position will not be awarded
- The race will award points toward the Super DIRTcar Series Championship Standings

Event Specific Rules / Race & Pit Procedures for the Billy Whittaker Cars 200 (including Time Trials, Qualifiers, Last Chance Showdown(s) and the 200-lap Feature):

- Time Trials will consist of two (2) consecutive green laps with the best recorded lap time being the time of record
- The Thursday Night Qualifiers will consist of 25 green flag laps. Caution laps will not count
- Last Chance Showdowns will be 15 green flag laps
- All original starts will be side-by-side off turn four in the area of the VP Racing Fuels 'Making Power Point' (Blue VP Racing Fuel sign) until the green flag is displayed
- All restarts will be exiting turn four in the area of the VP Racing Fuels 'Making Power Point'
- The front row must maintain the pace established by the pace car and will be instructed to do so on the one-way radio. If in the judgment of the DIRTcar officials the pace is not maintained a penalty and/or penalties may be issued
- There will be no EZ Pass candidate in the Thursday Night Qualifiers or the Last Chance Showdown(s)
- All races may be extended past their distance with a green-white-checkered finish
- The Billy Whittaker Cars 200 will be 200 laps. Cautions will count for 4 consecutive laps (after 4 lap counter is frozen) from lap 1 until the completion of lap 175. From the completion of lap 175 to the conclusion of the event, caution laps will not count
- There will be competition yellow at or around lap 100 where the lap counter and field order will freeze. **This stop will be the first time cars can take fuel.** Cars that remain on the track will maintain their position. Teams will have five (5) minutes to work on their cars. All cars will return to the track at the completion of the 5 minutes in the order they were running prior to the yellow behind the cars that opted not to pit.
- If a car comes out after the completion of the five (5) minute run-off and when instructed to return to the track, they will start at the rear of the field
- There will be a four (4) wide pace lap at the start of the Billy Whittaker 200. Odd numbered rows pull to the outside, even numbered rows pull up and fill in. This will be instructed over the one-way radio
- All restarts will be double-file (until completion of lap 175) with lead lap cars to the front. If the yellow is thrown before a lap is completed, the ensuing restart shall be a single file restart. Subsequent restarts revert back to double file restarts. DIRTcar officials reserve the right to change and/or alter this rule, provided the competitors are given notice (in advance and/or via the driver's one-way radio) due to circumstances that require such a change and/or alteration
- If you stop/slow on the track and intentionally bring out the yellow, change a tire that was not flat you will lose a lap and not be eligible for the EZ Pass
- Lapped cars will drop to the inside under caution and rejoin the field beginning after the last car on the lead lap in their order of running on the race track at the time of the caution. After lap 175 all restarts will be single file restarts
- If the Caution Flag is displayed and you enter the pit, you will not lose a lap in the pits under that caution period UNTIL another Green flag is displayed AND a Green Flag lap is then scored completed. You may also lose a lap on the racetrack under green flag conditions
- When the caution is displayed, get into single-file order, you will be instructed over the one-way radio when it is time to go double-file and/or restart single file
- If at any time the red flag is displayed and competitors are signaled to stop due to a red flag condition, cars must come to a complete stop. When the red flag is displayed, the pit entrance is immediately closed. Any car already in the pits prior to the red flag may continue service. After the field is stopped and the incident necessitating the red flag is secured, The pits will be opened over the one-way radio. Any car that needs to pit may do so at this time. Any car that pits during the red flag period will be required to restart at the tail end of the field. Any car that pits prior to the opening of the pits over the one-way radio will be issued a one-lap penalty.
- There will be one (1) car eligible for the EZ Pass Reward on each caution. The only car eligible will be the first one (1) lap down. You would not be eligible for the EZ Pass if you were involved in the caution or went to the pits before awarded the EZ Pass. The EZ Pass car will be signaled over the one-way radio

Event Specific Rules / Race and Pit Procedures for the Billy Whittaker Cars 200 continued:

- The race may extend past the advertised 200-lap distance and could end with a green-white-checker finish. There may be multiple attempts at a green-white-checker finish. Any cars that may be involved and/or the result of the caution will be scored in their respective position following the incident
- One-way radios are mandatory. Two-way radios are not permitted
- Cars breaking under green flag conditions may exit the race track at any pit entrance/exit
- The top thirty (30) qualifiers from Time Trials and Thursday Night Qualifiers will be allowed to pick their pit stalls. The remainder of the field will receive assigned pit stalls
- Only one conventional jack is allowed, no air lifts
- When exiting the pits there will be a stop-and-go official. If you exit pit road while being signaled to stop, you may be issued a one (1) lap penalty
- DIRTcar Officials reserve the right to alter the rules of this and/or any event, provided the competitors are given notice (in advance and/or over the one-way radio) due to any circumstance that require such a change or alteration

2025 Super DIRTcar Series Special Events that require Pit Stops – Cars, Equipment and/or Procedures

A.) Car(s) may not be pushed past the flagman located at the end/exit of pit road

B.) Once a race has taken the original green flag and laps have started counting, cars may be started by hand pushing in the pit area and/or on pit road only. Push trucks may be available and will be signaled by race control for a mechanical push start if required. In events that utilize a pit road for servicing the car with a pit crew, push trucks will not be permitted to push start and/or push cars off of pit road and back into competition, unless directed to do so by the Race Director

C.) Cars may only enter pit road for pit stops from the defined pit road entrance. Cars must travel on pit road in a counter-clockwise direction only

D.) When multiple cars are pitting and enter pit road, they must enter in single file. Passing on pit road will not be permitted. Cars must stay centered on pit lane before entering the required pit stall and must maintain 'pit road speed' as designated by the pace car on pace laps. Exceeding the pit road speed and/or passing on pit road may result in a penalty at the discretion of DIRTcar officials. 'Pit road speed' will be in effect for entering and exiting the pit road

E.) Dry break/quick fill re-fueling systems will not be allowed. All pit stop service must be completed in the assigned pit stall

F.) Only five (5) pit crew members will be permitted over the wall to service the vehicle at any time. The use of any additional crew members may result in a penalty. **All crew members going over the wall, limit five (5) must be equipped with helmets with at least chin straps. It is mandated that the gasman have a fire-retardant suit and full face helmet.**

G.) For the Billy Whittaker Cars 200 there will be no mandatory pit stop.

H.) Pits will be open at all times and all yellows will follow normal Super DIRTcar Series pit procedures.

I.) It is recommended that all teams have a sign posted approximately ten (10) feet in the air in front of the assigned pit areas displaying their car number and color scheme

*** There will be competition caution at or around lap 100 where the lap counter and field order will freeze. When this caution is displayed, the pits will be closed. When the field is secured, the pits will be opened over the one way radio. Any car that elects not to pit will line up on the front straightaway and stop under the red flag. Cars that remain on the track will be lined up for the ensuing restart in the order they were running at the front of the field. Cars that elect to pit will enter the pit and stop in their assigned pit stall. A horn will signify the start of the 5 minute break. No crew member may go over the wall until the horn is sounded. Teams will have five (5) minutes to work on their cars. There will be 2 short horn blasts with 2 minutes remaining, and 1 short horn blast with 1 minute remaining. When the clock reaches zero, a long blast will signify the end of the work session. Any cars still in their pit stall when the long horn blast occurs may be subject to penalty. The penalty for failing to complete work in the allotted time will be restarting at the tail. Cars that pitted will return to the track at the completion of the 5 minutes in the order they were running prior to the yellow behind the cars that opted not to pit. Cars may not take fuel prior to the competition yellow.*

- The remaining positions for the Salute to the Troops 150 will be filled from the Wednesday Night Qualifiers and the Last Chance Showdown(s) (15 Laps)
- There will be four (4) Provisional Starting Positions available to the top 15 in the current DIRTcar 358 Modified points standings for the Salute to the Troops 150 provided the competitor that is eligible for the Provisional either practices, makes a Time Trial attempt, and/or participates in the Wednesday Night Qualifiers

Event Specific Rules / Race and Pit Procedures for the Salute to the Troops 150 (including Time Trials, Wednesday Night Qualifiers, Last Chance Showdown(s) — and the 150-lap Feature):

- One-way radios are mandatory; two-way radios will not be permitted
- Time Trials will consist of two (2) consecutive green laps with the best recorded lap time being the time of record.
- The Wednesday Night Qualifiers will be 20 laps. The Last Chance Showdown(s) will consist of 15 green flag laps. Caution laps will not count
- All original starts will be side-by-side off turn four in the area of the VP Racing Fuels 'Making Power Point' until the green flag is displayed
- All single-file restarts will be exiting turn four in the area of the VP Racing Fuels 'Making Power Point'
- The leader must maintain the pace established by the pace car and will be signaled to do so on the one-way radio. If in the judgment of the Series officials, the pace is not maintained a penalty or penalties may be issued
- There will be no EZ Pass candidate in the Wednesday Night Qualifiers or the Last Chance Showdown(s) race
- The qualifying races may be extended past their scheduled distance with a green-white-checker finish
- The Salute to the Troops 150 will be a 150-lap race. All laps (green and/or caution) will count. Note: lap counter will be frozen after 4 consecutive caution laps
- Pitting prior to the green flag for fuel will not be permitted and will result in a stop and go penalty
- There will be a five minute competition yellow at or around lap 100 where lap count will freeze. Teams will have the option to enter the pit at that time or remain on the track. Cars that remain on the track will maintain their position. All cars will return to the track at the completion of the 5 minutes in the order they were running prior to the yellow behind the cars that opted not to pit. **Note – This will be the first time cars will be able to take on fuel**
- If a car comes out after the completion of the five (5) minute run-off and when instructed to return to the track, they will start at the rear of the field
- The original start will be side-by-side exiting turn four in the area of the VP Racing Fuels 'Making Power Point' Sign until the green flag is displayed
- On the original start the front row and the leader on all restarts must maintain the pace established by the pace car and will be signaled to do so, on the one-way radio, if in the judgment of the DIRTcar officials the pace is

not maintained, a penalty and/or penalties may be issued

- The leader is the control car on all starts and/or restarts
- When the caution is displayed, get into single-file order, the lineup will be signaled over the one-way radio
- If the Caution Flag is displayed and you enter the pit, you will not lose a lap in the pits under that caution period UNTIL another Green flag is displayed AND a Green Flag lap is then scored completed. You may also lose a lap on the racetrack under green flag conditions
- Any cars involved in a caution will be scored in their respective position following the incident.
- All restarts will be double-file up to lap 125 with lead lap cars to the front. After lap 125 restarts will be single file. Lapped cars will drop to the inside under caution and rejoin the field beginning after the last car on the lead lap in their order of running on the race track at the time of the caution. You may not lose a lap under the caution during this event
- All restarts will be double file exiting turn four in the area of the VP Racing Fuels 'Making Power Point'. However, If there's a caution before a lap is completed the ensuing restart shall be single file. Subsequent restarts revert back to double file. DIRTcar officials reserve the right to change and/or alter this rule, provided the competitors are given notice (in advance and/or via the driver's one-way radio) due to circumstances that require such a change and/or alteration
- If you stop/slow on the race track and intentionally bring out a yellow, change a tire that is not flat you will lose a lap and is not eligible for the EZ Pass
- There will be one (1) car eligible for the 'EZ Pass Reward' on each caution. The only car eligible will be the first one (1) lap down. The EZ Pass car will be signaled over the one-way radio to pull up behind the pace car but must not proceed past the pace car until instructed to do so on the one-way radio
- If at any time the red flag is displayed and competitors are signaled to stop due to a red flag condition, cars must come to a complete stop. When the red flag is displayed, the pit entrance is immediately closed. Any car already in the pits prior to the red flag may continue service. After the field is stopped and the incident necessitating the red flag is secured, The pits will be opened over the one-way radio. Any car that needs to pit may do so at this time. Any car that pits during the red flag period will be required to restart at the tail end of the field. Any car that pits prior to the opening of the pits over the one-way radio will be issued a one-lap penalty.

Event Specific Rules / Race and Pit Procedures for the Salute to the Troops 150 continued:

- The race may extend past the advertised 150-lap distance and could end with a green-white-checker finish. There may be multiple attempts at a green-white-checker finish. Any cars that may be involved and/or the result of the caution will be scored in their respective position following the incident
- One-way radios are mandatory. Two-way radios are not permitted
- Cars breaking under green flag conditions may exit the race track at any pit entrance/exit
- The top thirty (30) qualifiers from Time Trials and Thursday Night Qualifiers will be allowed to pick their pit stalls. The remainder of the field will receive assigned pit stalls
- Only one conventional jack is allowed, no air lifts
- When exiting the pits there will be a stop-and-go official. If you exit pit road while being signaled to stop, you may be issued a one (1) lap penalty
- DIRTcar Officials reserve the right to alter the rules of this and/or any event, provided the competitors are given notice (in advance and/or over the one-way radio) due to any circumstance that require such a change or alteration

2025 DIRTcar 358 Modified Special Event (events that require Pit Stops):

- A.)** Car(s) may not be pushed past the flagman located at the end/exit of pit road
- B.)** Once a race has taken the original green flag and laps have started counting, cars may be started by hand pushing in the pit area and/or on pit road only. Push trucks may be available and will be signaled by race control for a mechanical push start if required. In events that utilize a pit road for servicing the car with a pit crew, push trucks will not be permitted to push start and/or push cars off of pit road and back into competition, unless directed to do so by the Race Director
- C.)** Cars may only enter pit road for pit stops from the defined pit road entrance. Cars must travel on pit road in a counter-clockwise direction only
- D.)** When multiple cars are pitting and enter pit road, they must enter in single file. Passing on pit road will not be permitted. Cars must stay centered on pit lane before entering the required pit stall and must maintain 'pit road speed' as designated by the pace car on pace laps. Exceeding the pit road speed and/or passing on pit road may result in a penalty at the discretion of DIRTcar officials. 'Pit road speed' will be in effect for entering and exiting the pit road
- E.)** Dry break/quick fill re-fueling systems will not be allowed. All pit stop service must be completed in the assigned pit stall
- F.)** Only five (5) pit crew members will be permitted over the wall to service the vehicle at any time. The use of any additional crew members may result in a penalty. **All crew members going over the wall, limit five (5) must be equipped with helmets with at least chin straps. It is mandated that the gasman have a fire-retardant suit and full face helmet.**
- G.)** For the Salute to the Troops 150 there will be no mandatory pit stop.
- H.)** Pits will be open at all times and all yellows will follow normal "Super DIRTcar Series" pit procedures.
- I.)** It is recommended that all teams have a sign posted approximately ten (10) feet in the air in front of the assigned pit areas displaying their car number and color scheme

*** There will be competition caution at or around lap 100 where the lap counter and field order will freeze. When this caution is displayed, the pits will be closed. When the field is secured, the pits will be opened over the one way radio. Any car that elects not to pit will line up on the front straightaway and stop under the red flag. Cars that remain on the track will be lined up for the ensuing restart in the order they were running at the front of the field. Cars that elect to pit will enter the pit and stop in their assigned pit stall. A horn will signify the start of the 5 minute break. No crew member may go over the wall until the horn is sounded. Teams will have five (5) minutes to work on their cars. There will be 2 short horn blasts with 2 minutes remaining, and 1 short horn blast with 1 minute remaining. When the clock reaches zero, a long blast will signify the end of the work session. Any cars still in their pit stall when the long horn blast occurs may be subject to penalty. The penalty for failing to complete work in the allotted time will be restarting at the tail. Cars that pitted will return to the track at the completion of the 5 minutes in the order they were running prior to the yellow behind the cars that opted not to pit. Cars may not take fuel prior to the competition yellow.*

- The leader is the control car on all starts and/or restarts
- All restarts will be double file with lead lap cars to the front - lapped cars will drop to the inside under caution and rejoin the field beginning after the last car on the lead lap in their order of running on the race track at the time of the caution
- You may not lose a lap under the caution during this event
- When the caution is displayed, get into single-file order, the lineup will be signaled over the one-way radio
- If at any time the red flag is displayed and competitors are signaled to stop due to a red flag condition, cars must come to a complete stop. When the red flag is displayed, the pit entrance is immediately closed. Any car already in the pits prior to the red flag may continue service. After the field is stopped and the incident necessitating the red flag is secured, The pits will be opened over the one-way radio. Any car that needs to pit may do so at this time. Any car that pits during the red flag period will be required to restart at the tail end of the field. Any car that pits prior to the opening of the pits over the one-way radio will be issued a one-lap penalty.
- The race may extend past the advertised 50-lap distance and could end with a green-white-checkered finish
- One-way radios are mandatory
- Cars breaking under green flag conditions may exit the race track at any pit entrance / exit. If leaving the track on the pit exit road on the backstretch, please use caution
- When exiting the pits there will be a 'Stop and Go' official. If you exit pit road while being signaled to stop

you may be issued a one (1) lap penalty

- It is mandatory to have the following decals on the car, DIRTcar Pro Stock, Hoosier, VP Racing Fuels and DIRTVision
- To be eligible for other available contingencies you must run the decals. Included is a guided map for two available options to place decals on your vehicle
- Immediately following the conclusion of the event, the first-place car needs to go to the scale first, then we need second and third to the scales and to Victory Lane. Additional vehicles and/or competitors may be signaled to inspection over the one-way radio following the conclusion of the event
- DIRTcar officials reserve the right to alter the rules of this and/or any event, provided the competitors are given notice (in advance and/or over the one-way radio) due to any circumstance that require such a change or alteration

NOTE: The race will be based on the normal series point schedule. Any driver that shows up and makes an attempt to compete but fails to qualify in the 53rd Super DIRT Week DIRTcar Pro Stock I Love NY 50 will receive 90 points toward the DIRTcar Pro Stock Championship.
